To one of my
best friends.

Hope we see
each other this
summer. Sure has
been fun knowing
you this year.

Your pal!

Harry Lockley

We've had a wild time
being made late by
Blackwell this year.

Look out for Mrs. Knox
next year.

Franklin Ashley

Paul,

It's been great fun
in English this year and I'll
see you August 15. We have
got to get the State AAA
till again next year and you
are going to have to handle
that mile. Howard,

Paul,

I certainly have enjoyed
struggling through geometry
beside you all year. I want
Mrs. Jones surprised when she found
out that boys were at the back of
the room or still learn geometry in a tree.

Philip

Paul,

It's been fun making
Miss Knox mad with you. I
hope to see you this
summer but if I don't,
I will see you next
year.

Best of luck
"Iron" Orr

Paula,
you is not going to be
worth a saloot next year in
the mile is you. Really you are
a good kid, not the best, but good.
Your friend and mine.
D. Melton

Robert Cloutier

We have come a long way since those two school "playdays".
Have fun this summer. Keep working the last. Luck always.

Paul,

PRESENTING...

Paul,

We've had some good times together the past few years especially back in the eighth grade. We made a good passing combination that year. Then you got me on the NTHS by your advice in biology. I wish you had been in Mr. Woodberry's home-room this year - he's some laughs. Hope we're in the same room next year. Keep up the good running in track. You've been a good friend Paul the past few years and next year maybe we'll get some teachers like we had in the eighth grade. Good luck to you in all you do. Hope you make 'A's' next year.

"All hail to thee, our Alma Mater,
Here's a song in praise;
We'll bear thy banner gladly,
And thy name we'll proudly raise;
We'll honor thee and love thee,
As faithful sons always:
So here's to Dreher, our Alma Mater,
Hail to thee always."

PROLOGUE

Hail to Dreher Always.

Bright words for us, lingering words for our future and the future of our community.

Dreher is the product of her people. We are her vitality, her spirit, her continuity; we have given her many faces to be many things—faces fashioned by our diverse traits and character into an unfinished image.

She has the bright face of Opportunity to beckon the ambitious, the talented, and the brawny, the classic face of Knowledge to stimulate curiosity and deepen understanding, the vivid face of Imagination splashed with Paints and Pastels, etched with Creative Writing, expressive with Dramatics; and, the radiant face of Spirit—nourished from the past and cherished for the future.

We have given her the excited face of Victory, the moody face of Defeat, the candid face of Sportsmanship, the dignified face of Integrity, the fragile face of Justice; the stern but tolerant face of Discipline, the careworn face of Disappointment, the eager face of Initiative and the compassionate face of Charity.

At night, empty and alone, Dreher is a faceless ghost, waiting for the vital warmth of morning.

We are her heartbeat—her pulse. We are Dreher.

DEDICATION

Many years of dedicated, unacclaimed service and loyal devotion to Dreher and its high standards of education distinguish our choice for the dedication of the 1960 **BLUE DEVIL**.

We feel that in choosing the recipient of this honor, we have selected one of Dreher's most devoted teachers. She has given us much of her time and her talents. We love her for her individualism, her spirit, and her untiring energy.

To Miss Moselle Skinner we say "thank you." For her unselfishness, inspiration, and exceptional ability, we, the staff, affectionately dedicate our annual.

MR. ARLIE W. WHITTINGHILL
Principal

1960 opens a new decade and also marks the beginning of a new era in our newly appointed administration. With the opening of a new high school in the city, many positions in our administration were left to be filled by our faculty. Mr. Whittinghill was promoted from assistant principal to principal, and Mrs. Woodruff and Mr. Branch were appointed assistant principals.

Our able faculty, headed by Mr. Whittinghill, Mrs. Woodruff, and Mr. Branch, has guided Dreher to high achievements in education. Even the best student body would be lost without expert leadership, and we at Dreher are most fortunate in having the wisdom and kindness shown us by the 1960 Dreher faculty.

Why does the BLUE DEVIL always display a picture of Mr. Guy L. Varn, superintendent of Columbia City Schools? It is not only because we respect the position that he holds, but also because we admire very much the qualities that Mr. Varn has shown over the years that have endeared him to us. Dreher has come to appreciate more and more Mr. Varn's personal interest in us.

Dreher

SENIOR CLASS OFFICERS. Chris Leventis, President; Buddy Barker, Vice-President; Lloyd Hendricks, Treasurer; Wickie Wheeler, Secretary.

Seniors Fulfill Dreams

The class of 1960 ends its high school career at the beginning of a new decade in history and under a new administration for the school. Under the leadership of this most capable senior class, Dreher has held its own and even surpassed its many aspirations.

In 1956 three hundred and forty-one confused freshmen entered the halls of Dreher. Because of crowded conditions in our high school, many of our classmates were left to attend the ninth grade at Hand Junior High. During our sophomore year the number swelled to five hundred and sixty-four when these former classmates joined us. In our junior year we looked with awe and wonderment at the many responsibilities that go with being a senior. This feeling was mingled with

one of anticipation of the coveted privileges enjoyed by our seniors. Many of our class blazed the trail for an accelerated program in the city schools, thus finishing a year ahead of their class. Now we have reached our high school goal—graduation.

We have come to realize that in addition to her esteemed administration and faculty, Dreher possesses an unseen element which aids and guides her fledgelings in accomplishing and upholding the many fine traditions that are a part of Dreher. To the present junior class and to all other underclassmen we leave this "intangible element," hoping that they too will feel it. We wish for them the same high hopes and the same satisfying fulfillment of their dreams at Dreher.

JUNIOR CLASS OFFICERS. David Anderson, Treasurer; Jill Archer, Secretary; Jack Upchurch, Vice-President; Pete Leventis, President.

Juniors Prepare To Take Over

The Junior Class is quite capable of handling the role of leaders of the student body which is now almost upon them. For the two years since this class entered Dreher as sophomores, its members have by no means been idle. They have stood in the wings, constantly growing in experience, knowledge, and school spirit. Juniors have participated eagerly in all those activities open to

them. They have played their parts commendably.

Now, almost seniors, the Juniors will leave behind them many memories, only to add new ones. With the enthusiasm, initiative, and fine spirit exhibited by this rising Senior class, with our fine faculty and administration, we can safely say that "61" will be a hard year to beat.

SOPHOMORE CLASS OFFICERS. Bobby Gayle, President; Roberta Meares, Vice-President; Ted Crolley, Secretary; Charlie Goldson, Treasurer.

Sophomores Look To The Future

On August thirty-first, 1959, we, three hundred and eighty awed and happy sophomores, entered the friendly halls of Dreher High School. From Crayton, Hand, and Columbia High, we, the new students, filled with lofty hopes and dreams, became a part of our new alma mater.

We braved the perils of Friendly Week and emerged as full-fledged members of the

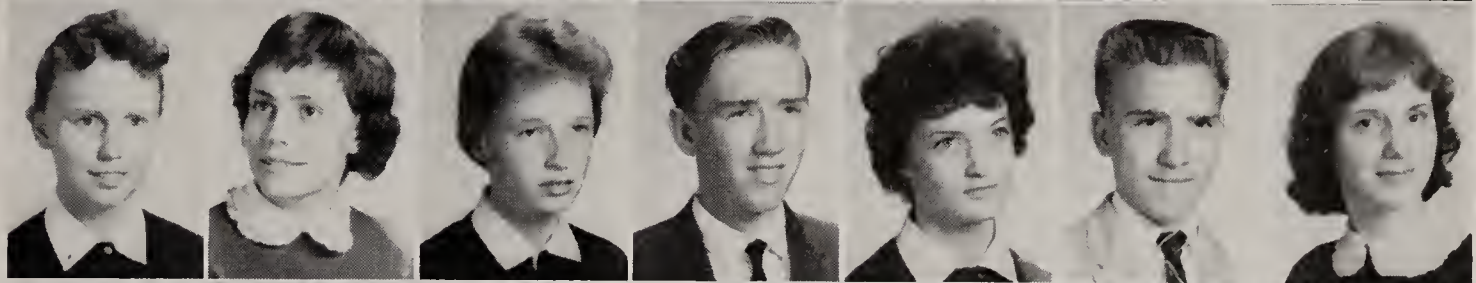

Dreher student body. With participation in the varied activities throughout the year, our enthusiasm and school spirit soared.

Now, we, the class of 1962, look ahead to the future with anticipation and great expectations. The high ideals and standards of Dreher instill within each of us a desire to meet the challenge bequeathed by preceding classes.

Freshman Class Enters Dreher

For the first time in three years a freshman class entered the hallowed halls of Dreher. With the coming of fall and a new school year, one hundred and forty-nine ninth graders from Hand and Crayton Junior High Schools became a vital part of Dreher's life. The opening of a new school in the city system, A. C. Flora High, relieved the pressure of crowded conditions and caused Dreher to become a four-year high school once more.

Filled with enthusiasm and plans for the future, the students of the new freshman class elected capable class officers, joined clubs, and faced the new responsibilities of high school life. They entered whole-heartedly into classes, athletics, and activities with a sincere determination to make a real contribution to their fellow students and to their Alma Mater.

Activities

Student Council Has Most Active Year Yet

FIRST SEMESTER OFFICERS. Mac Ogburn, Vice-President, and Robert Walkup, President.

The Student Council is an outstanding part of the Dreher Student Government. It is composed of representatives from all homerooms under the leadership of the president and vice-president of the student body. The numerous projects and invaluable services of the council depict the true character of Dreher.

Council activities strengthen the total school program. They include supervision of student elections, sponsoring the sale of school-day pictures, organizing the club activities program, and the selling of football programs.

Recognizing its responsibilities to the community, the council sponsors projects to secure food baskets for needy families during the Christmas and Thanksgiving seasons.

The spirit of Dreher is projected to other areas through the council's representatives sent to the district rallies, South Carolina Association of Student Councils Convention, and the Southern Association of Student Councils Convention.

Through the medians of participation and good government the Student Council instills in the student body a desire to live by the democratic principles of good citizenship.

Key Club Variety Show is Greatest Ever

The Dreher Key Club has for many years distinguished itself as one of the outstanding youth service organizations in this nation.

The Key Club is sponsored by the Kiwanis Club. Members are elected by vote from the rising junior class. The membership of this chapter of Key Club is limited to forty boys.

The Dreher Key Club has repeatedly attained recognition for its International Award-Winning Variety Show. The proceeds of this show go into the Key Club Scholarship Foundation, which helps to finance a Dreher graduate in college.

The Variety Show, the Light Bulb Sale, and the

Bazaar in the spring highlighted this Key Club year. Service was rendered to both school and community through the distribution of Good Fellow Baskets at Christmas time, the faculty round ball game, assisting with the March of Dimes Campaign, and sponsoring the Homecoming dance and float.

At the past District Convention Robert Walkup was elected Lt. Governor. Chris Leventis was elected International Trustee at the Key Club International Convention in Toronto.

Certainly this chapter has been one of the greatest in the log of the Dreher Key Club, always striving to better the community.

OFFICERS. Billy Wells, President; Chris Leventis, Vice-President; Pete Leventis, Treasurer; Lloyd Hendricks, Secretary.

Dreher Anchor Club Organized

In the fall of 1959 a new club was formed for junior and senior girls at Dreher. Its purpose is service, and the members are a dedicated group. Outstanding character, leadership, and service are qualifications for membership. In addition, a scholastic average of "C" must be maintained.

Pilots International, a service organization for business women, sponsors the Anchor Club. At a banquet at the Wade Hampton Hotel, the representative of the Pilots Club presented to Roxie Kershaw, Anchor Club President, a charter to organize.

One of the first projects was to place a Coke machine

in the senior girls' lounge. This has proved to be very popular, and the Anchors receive some of the profits for their treasury.

At the Dreher-Columbia High Game, they sold flower corsages which they made themselves. These, too, were a big success.

Christmas saw them busily planning an impressive tableau to be presented at a Pilots banquet.

Dreher has good reason to be proud of this fine group of girls and wishes for them the best of luck in the future.

The Dreher High School chapter of the National Honor Society is composed of students whose records of scholarship, leadership, character, and service have set them apart from the student body as a whole.

To be considered for membership in the National Honor Society, one must have maintained a "B" average for the two semesters preceding his candidacy. One must have participated in enough extra-curricular activities to show qualities of leadership, character, and service.

The National Honor Society sponsors many projects at Dreher. The new lobby furniture, the scholarship fund, the student-tutoring service, the student directory, class rings, decal sales, and the senior trip are all services of this society.

The importance of Honor Society is well-known and its influence is far-reaching. Dreher High School justly owes this active organization its highest tribute.

Patty Gause hangs picture in lobby.

The Art Council is composed of students who are trying to bring art into the foreground where it will be not only noticed, but also appreciated for its true value.

It is one of the things that help to make Dreher different from the average high school. It provides an organization through which many of Dreher's talented people may receive recognition, and also adds to the beautification of the building. In 1946 the Council began buying original paintings and now has a valuable collection. These pictures adorn the hall at the entrance of the building for both students and visitors to enjoy.

The Art Council has proved an inspiration to all who have felt its influence.

Forensic League Participates in Winston-Salem Congress

The National Forensic League is one of the organizations at Dreher that can bring inter-state recognition to our school. This year N. F. L. members attended an A. C. Flora tournament on October 29, 1959, and the district tournament April 28-30, 1960. Among the congresses to which the Dreher N. F. L. sent delegates were

the Winston-Salem Congress in November, the Asheville Congress, December 11-12, the Southeastern Congress, January 23, and the District Congress, February 6-7. Dreher also had the honor of being asked to the Barkley Forum Debates held at Emory University, February 26-27.

N. F. L. SPONSORS. Mrs. Lust and Mrs. Daughtry.

Students Turn in Promising Works to Literary Yearbook

Dreher's "Literary Yearbook" was put out this year by a hard-working staff under the guidance of Mrs. Godfrey and Miss Pettigrew. From the 1,000 or more manuscripts handed to the staff, around 130 were chosen to be published. The English teachers turned in their students' most promising works. The ones the judges selected were typed, proofread, then published.

The "Yearbook" is an excellent guide to sketches, book reviews, essays, and all types of written work and is invaluable to English students.

Many of the articles selected for the "Dreher Literary Yearbook" are entered in the "South Carolina Literary Yearbook," or the National Poetry or the National Essay Contest.

LITERARY YEARBOOK STAFF. Seated: Kay Nidiffer, Kay Kittrell, June Turner, Frances Hawks, Marilyn Hedgepath, Susan Wienefeld. Standing: Barbara Seigler, Margaret Gunter, Harriett Cohen, Betsy Garrett, Jane Black, Rick McDowell, Carol Windham, Becky Westall, Diana Morris.

All Merit Semi-Finalists Are Finalists

FRONT ROW: Arnold Wengrow, Lucy Shand, Nancy Cooper, Frances Thornton, Ned Self. SECOND ROW: Tommy Steppe, Ann Sease, Margaret Moses, Susie Haltiwanger, Leon Bryan. THIRD ROW: Ray Young, Bruce Steigner, Carl Foster, Harriet King. FOURTH ROW: George Appenzeller, Woody Williams, Kay Kittrel.

A Merit Scholarship finalist represents paramount achievement, for he has accomplished what 99.5 percent of the nation's high school seniors could not do.

To become a finalist, one must go through a rigorous and difficult testing program. An exceptionally high score on the National Merit Scholarship Qualifying Test is the first requisite. If the scores on this test qualify the student, he is notified by the Merit Corporation that he is a semi-finalist. The semi-finalist must then

perform admirably on the CEEB Scholastic Aptitude Test. Having hurdled these two obstacles, the new finalist is awarded a certificate of merit. He becomes eligible for one of the world-recognized and very rare Merit Scholarships. The names of all Merit finalists are sent to every college in the U. S. participating in the Merit program. Dreher offers her sincerest congratulations to this promising group of young people.

Dreher Delegates Very Active in Boys' and Girls' State

LEFT: Ted Petoskey, Mac Ogburn, Dick Schwab, Margaret Moses, Toddie Clarke, Carl Foster, Lloyd Hendricks, Chris Leventis.

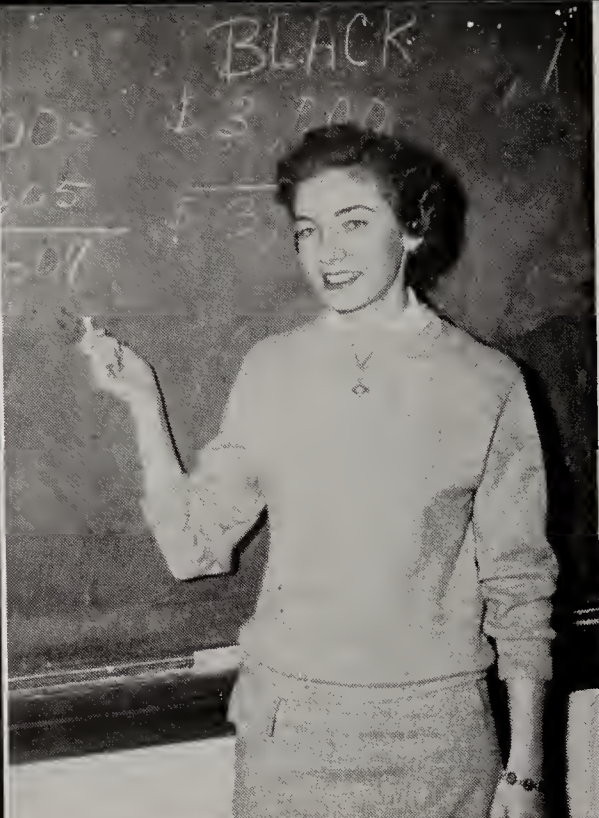

Each spring a group of outstanding juniors are chosen to attend Boys' State and Girls' State. The conventions are held at the University of South Carolina during June. These programs are very educational and are designed to train leaders.

All the boys or girls have a chance to participate in the mock functions of our state government. They hold party rallies, elect city and state officials, and pass bills of various kinds. This year Chris Leventis was elected Governor of Boys' State.

Boys' and Girls' State have always been a great success; those who have attended have never failed to derive a great deal of good experience from them.

Staff Edits 1960

Anyone who saw our staff in action would be amazed. The visitor would wonder how such an uncoordinated group could ever edit anything. There were distractions at every turn. At almost every crucial point someone was bound to break the train of thought by asking for your algebra book. We had callers of every description constantly flowing in and out.

Our visitor might possibly denounce the staff as hysterical—we were. There was always something to laugh at.

Omnipresent were Billy's dry humor, John E.'s dictation, Meredith's noisy apples, Lucy's cradle-crushes, and Fay's shorthand. In spite of Carolyn's crying contact lenses, Kathy's continually typing the staff's homework, Dick Schwab's majoring in pharmacy, Bruce's absence, and the two understudies, Carol and John B., our group did work.

If our guest were observant, he would sense the dedication to purpose—a small but ever-present undercurrent. The write-ups and telephone calls, the necessary ground work, were done quietly and on time.

And so, with the help of Mrs. Wyman's guiding hand, Mrs. Wannamaker's keeping tabs on the photographs,

Blue Devil... Best Yet

Mrs. Romey's watching the books, and Meredith's friendly whip, we pulled through—with what we conservatively call a grand annual—the greatest yet!

Our business staff was a real group of dynamos. This gallant corps was headed by Margaret Moses. She, with the help of Pete, Kay, Marie, Hyman, handled the ticklish job of securing ads and selling the annuals. They are to be commended for the work which they so diligently performed.

Newspaper Job One of the Hardest at Dreher

"Where's my head? Where's my head?" The cry goes up at about 5:00 P. M. on Deadline Day. The page editor yelling these words doesn't mean them literally; he's just misplaced a headline.

The **Blue Print** makes it to press again by the skin of its teeth, and the staff vows—never again. But somehow, the next Monday, they start over on a new issue.

The newspaper is perhaps one of the hardest jobs at Dreher, with working hours ranging from 8:00 A. M. until 7:00 P. M. But the satisfaction of seeing their highest efforts actually in print makes the staff feel a sense of real accomplishment.

Yes, life in the "Press Box" is one hilarious but rewarding routine. A "staff" worker hasn't really lived until he has gulped down a watery coke while trying to type an article, take a picture, and lay-out a page all at the same time! Why all the rush? This copy has to get to press, you heard Jeff say that next deadline is tomorrow!!! Putting all joking aside, the **Blue Print** is our one opportunity to take our pen in hand and to portray the spirit of Dreher, whether it is a story of success, defeat, or perhaps a fond dream or ambition.

This year the **Blue Print** underwent a good many changes. It switched printers, changed from newsprint to slick paper, and actually, for once, had no financial problems. For the first time, no voluntary subscriptions were sold, and the cost of the paper was included in the general school fees.

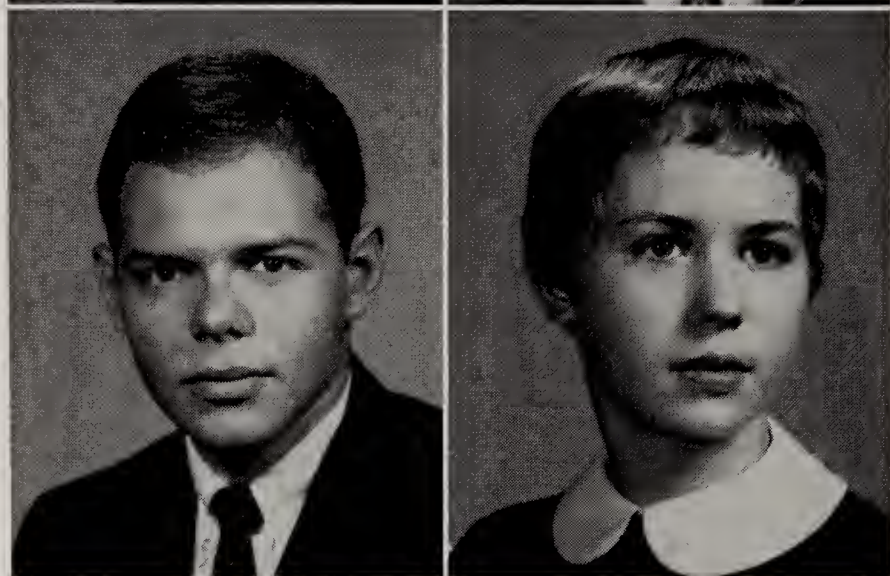

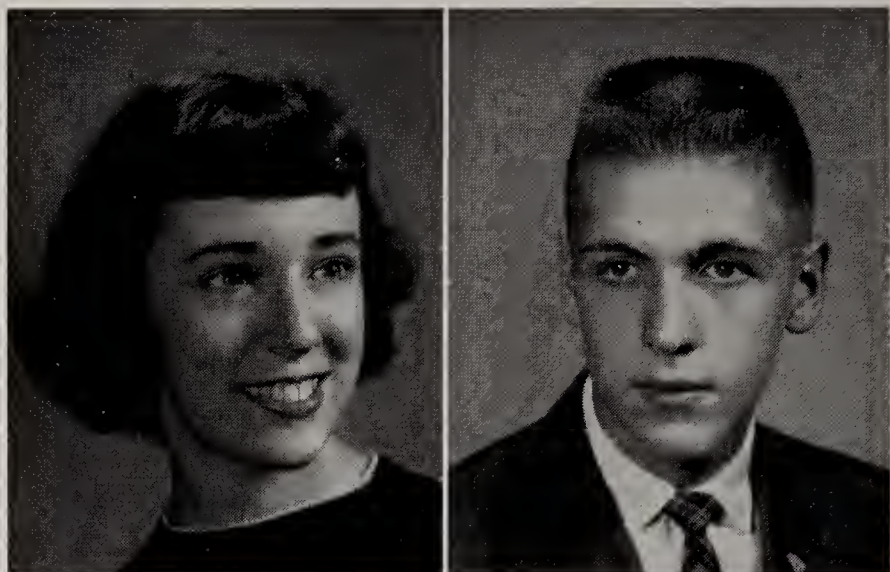

The Press Box closes for another year now, but next fall it will again resound with the anguished shouts of "Where's my head? Where's my head?"

TV Teaching Now in Its Second Year

The experimental method of teaching by television, sponsored by the state of South Carolina, is in its second year at Dreher. This year the television program has expanded its broadcasting system to include four more schools, Hand Junior High School, Crayton Junior High School, A. C. Flora High School, and Columbia High School.

Instruction in Algebra I has been added to French I and Plane Geometry, which were taught last year.

The project continues under the direction of Mr. Dewey Gentry, coordinator, Mr. Henry Cauthen, techni-

cal director, and the new art director, Mr. Jerry Tiemann.

Much credit should be given to the student technicians who have contributed many long hours to this project. For each subject a crew of seven technicians is assigned: two on camera, a studio director, an audio operator, a projectionist, and two members of the art department. Each six weeks they rotate from one job to another.

The student technicians must pass periodic tests on what they have learned, and receive credit toward graduation for the course.

Youth Council Functions Invaluable

Composed of representatives from all the city high schools, the Youth Council planned and regulated the activities of the Memorial Youth Center. Many of the activities sponsored by Youth Council this past year included: dances after football and basketball games, movies on Friday nights, a birthday ball with a talent show in January, and a Valentine dance with a beauty contest in February.

Dreher Band Glamorized By

BAND DIRECTOR
Mr. LaVern Hahn

DRUM MAJOR
Fred McElveen

The Dreher High School Band under the direction of Mr. LaVern Hahn has been a great spirit-lifter this year. Not only did the band give excellent performances at assemblies and pep rallies, but also gave superb half-time shows at football games. A new addition, major-ettes, was a real highlight. Solo twirlers were Agnes and Sally Pritchard. Band captain was John Lupold.

The band received high ratings at the District and State Music Festivals which are sponsored each year by the South Carolina Music Educators Association; they also gave a number of concerts and entered several marching-band contests. Annually the band participates in the Sun-Fun Festival at Myrtle Beach, sponsored by the Myrtle Beach Chamber of Commerce.

As one of the outstanding bands of South Carolina, pictures of the band and its first chair players are entered in the First Chair of America Book, which features the best bands from all over the United States.

BAND OFFICERS. Front Row, Left: John Lupold, Andrea Stocks, Richard Compton. Back Row: Howard Williams, Susan Mauger, Louise Stith, Mike Pushkar.

DREHER

During activities period on Wednesday and Thursday, we, at Dreher, have a club period. Everyone may join two clubs of his own choice! The clubs are sponsored by teachers and mothers of Dreher students. There are the Bridge Club and Canasta Club for the card players. Language students join the French, German, or Spanish Club.

Mr. Park shows Radio Clubbers how to build a "ham" radio.

These rugged outdoorsmen are members of the Sportsman Club.

"Bridge is a thinking man's game."

Jerry Boone reads the devotion for the Bachelors Anonymous Club.

CLUBS

Outdoorsmen prefer the Sportsmans Club or the Boating Club. The Radio Club helps its members understand the radio. Dixieland Jazz is one of the more popular clubs. All the football players belong to the Football Rules Club. School and student problems are discussed in other clubs.

Margaret Moses, Bobby Shelby, and Forrest Potts are in the spotlight in the Dramatics Club.

The Junior Engineering Training Society sponsors the worthwhile Dreher Science Fair each year.

Toddie Clarke runs the projector while the French Club looks at movies.

These attentive fellows are studying the next move in a game of Chess in the Thursday Chess Club.

The Home Decorating Club advises these future homemakers in the ladies' work around the home.

Elaine Ouzts, Polly Richardson, Dianne Ryan, Mimi Montgomery, the Football Programs Committee did an excellent job of publishing and distributing the colorful football programs this year.

DREHER

The services are an integral part of Dreher. These activities exemplify the spirit of Dreher. The office assistants hold one of the more important jobs, assisting the secretary in her work. The library assistants help the librarians keep the functions of the library running smoothly. The Blue Devil Shop is the most popular gathering place for students who are in need of school supplies.

These able helpers assist Mrs. Thomas and the cooks in serving the delicious lunches which help to build strong bodies at Dreher.

Wa!!!

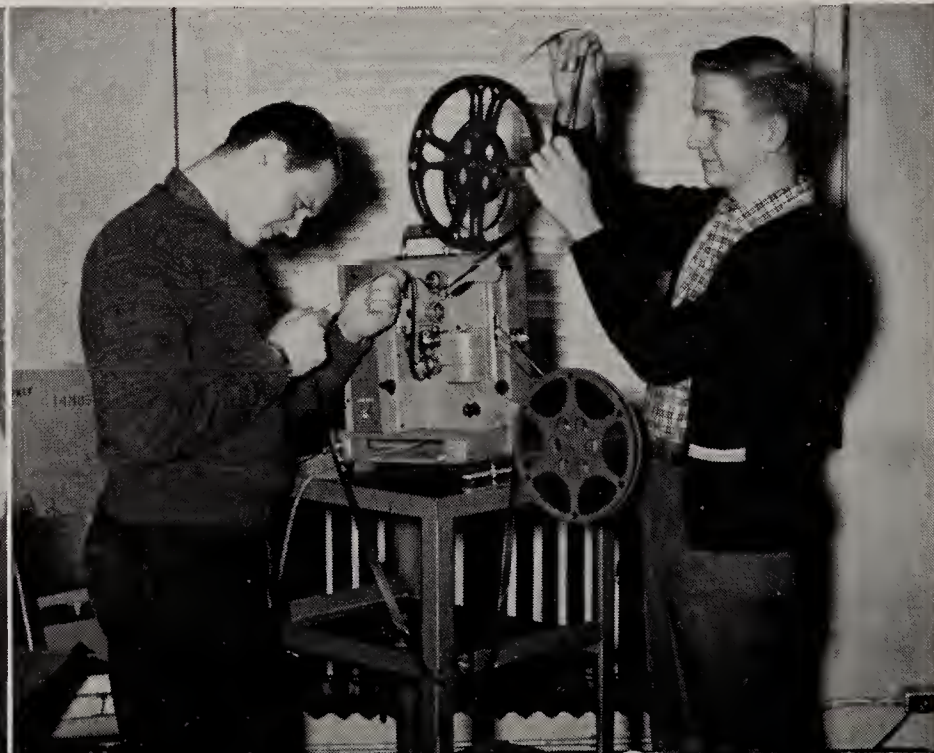

The Snack-bar workers are on duty during lunch period to sell milk products to Dreher's students.

The announcers, Pat Blackmon and Al Steed, do an efficient job of informing the students of current school activities.

The Audio-Visual Aids committee, Russell Tiller and Condon Eargle, assists teachers in the showing of educational films.

SERVICES

Dreher just could not get along without the attractive, colorful football programs sold at the games by the Football Programs Committee. The Audio-Visual Aids Committee generously assisted the teachers by showing educational films to the classes.

These activities are examples of services rendered to Dreher.

The duty of the monitors is to keep the cafeteria line moving as swiftly and quietly as possible.

The Office Assistants aid the secretary in keeping the office running efficiently.

The Library Assistants help the librarians by keeping the records on overdue books and fines and putting books on the shelves.

The Blue Devil Shop is responsible for selling school supplies to the students.

STATE "AAA" CHAMPS

"Blue Devils Avenge Capitals." With this headline and a score of 26-7, thus ended the triumphant road to an undefeated and untied football season.

The Devils began with an inexperienced collection of eager young men. However, the coaching genius and hard-shell discipline of Coaches Stuart and Robinson molded the team into a well-knit, all-powerful juggernaut.

Although the Big Blue rolled to twelve decisive victories, the team was relegated to third place in the rating poll of high schools.

Dreher placed two men on the Shrine Bowl team and six men in the all-area selections. A Dreher man won the Thom McAn award, and was selected lineman of the year. A Blue Devil was also co-captain of the Shrine Bowl team.

Thanks for the successful season are due to the Booster Club for its cooperation, and to the entire student body for its loyalty and support.

Our Devils were an honor to Dreher this year of 1959-60, and stand as symbols of the indomitable spirit of Dreher High School.

HOMEcoming

The highlight of the football season, after long months of anticipation, had arrived. After much planning and preparation, we put our efforts and talents into this memorable occasion which encompassed so many phases of our school life.

Among the exciting events was the unforgettable Homecoming Pageant, which introduced to the Student Body the nine contestants for Homecoming Queen.

Preceding the pageant came the symbolic skit of our undefeated Blue Devils' victories over their opponents. It was then that our Homecoming Queen, Miss Mollie McKenzie, and Maid of Honor, Miss Anna Louise Long, began their reign.

The exciting parade, the presentation of the sponsors, the crowning of the queen, and our victory over Aiken are all accounted for in the pages of our Dreher diary.

The climax of the day came at the victory dance held at the Youth Center where the queen and her court reigned in never-to-be-forgotten glory.

The Blue Devils of the hardwood court stood as the best anywhere in the eyes of their loyal student body. They won the City Tournament; they won the Lower State AAA Tournament; and they took runner-up in the finals of the State AAA Tournament after being defeated by the magnificent performance of a fine Anderson team. However, greatness is not always measured by the victory. Our Devils brought us pride and honor through their never-dying desire to win, their team sportsmanship, and their invincible courage.

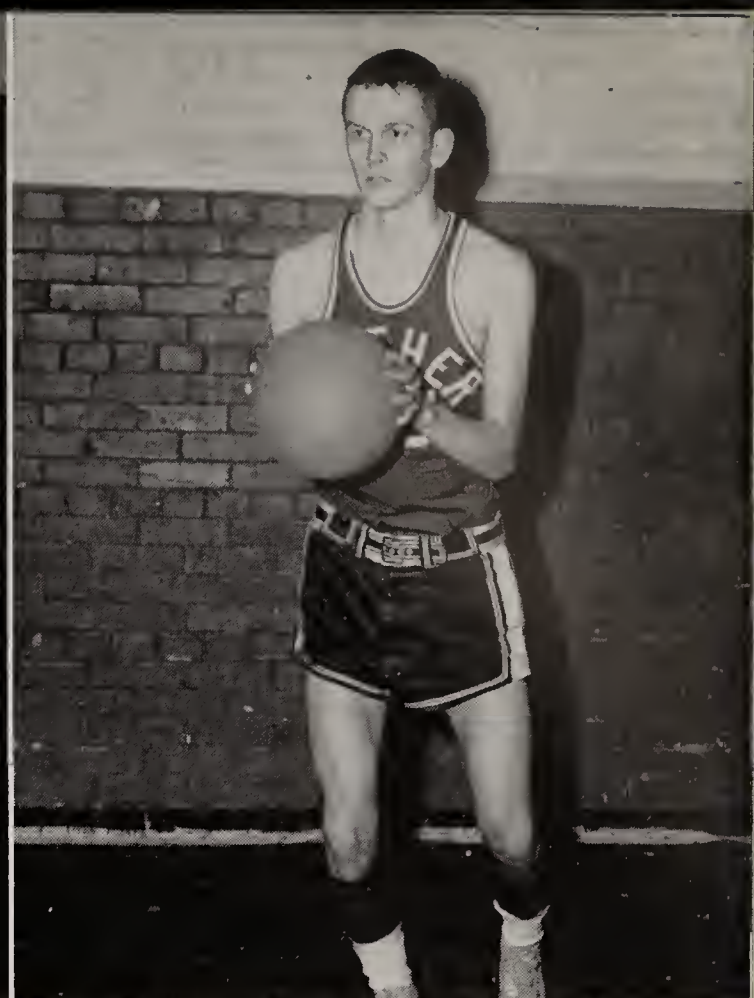

Our boys came a long way to achieve the record of seventeen wins and eight losses. The coaching was with them every dribble of the way, and stood by them as proudly in defeat as in victory. Mr. Herb Robinson in his first year as head coach of the Blue Devils, well deserves our sincere appreciation.

The "Great Spirit" Returns

At the beginning of the summer the newly elected Kings and Queens of Scream began what was to become the "Search for the Great Spirit." The main idea behind all the work done by "those idiots" was the return of the driving force of school spirit.

And the "Great Spirit" did return—as was witnessed by the "Knights of Other Schools" when they were defeated on the "Field of Honor" by the "Blue Knight"—all dramatized in the Homecoming skit.

We will keep sweet memories of "Long's Follies," "Cheerful Charlie," "Two-Card Draw," and "Ed, be careful or you'll fall off the goal post." Remember decorating the stadium . . . crazy bus trips . . . our two queens.

What would we have done without "Gin" Collins, lovely "Big Mama" Long. "Queenie" McKenzie, "Si-Hootin" Hancock, "Reeeeah-ly" Pogue, "Swami Reevah," "Curly" Anderson, "Charlie" Bryan, and "Pim" Able? And don't forget those grand people who took care of us, Joe W., Martha T., and "Poor Ol' Jaynie" Burns.

Such a fabulous year, such a fabulous group! Homecoming! And that triumph of triumphs—the Columbia High game.

COACH CHARLIE STUART

The 1959 "High Flying Blue" roared again to another State "AAA" title and undefeated season under the excellent training of Coach Stuart and Coach Robinson. With this title, the record of Dreher's track team has been extended to five consecutive state championships.

The supremacy of Dreher in this field goes beyond its competitors each year the team sets foot on the track. With many of the fine athletes from the 1959 champions returning, the prospects of the 1960 season look very promising.

BASEBALL

Blasting their way through the rugged tests, the Blue Devils once again upheld the standard of victory that is Dreher. The powerful Devils conquered foe upon foe and not until the season's end did they meet defeat. In only two contests was "the Blue" beaten, while amassing nine sweet victories.

Coached by the crafty veteran of the game, Mr. J. K. Henry, Dreher's nine of the diamond was one of which we could be proud.

The year 1960 holds a glowing promise of greater heights as the new Devils take the field.

Girls Participate in Sports

The Girls' Athletic Association offers many and varied activities. Volleyball, basketball, tennis, and softball are only a few of these.

A volleyball playday was sponsored by the association for the schools in Columbia, a trampoline clinic at Furman was attended, Dreher sweatshirts were sold, Rock Hill came to Dreher for a playday and then was host to Dreher for a basketball playday. A group of twelve went to Winthrop for a Square Dance Clinic.

This year the Physical Education Leaders Club has been changed to a Physical Education Majors Club in which girls, who are interested in majoring in Physical Education in college, participate. These girls have visited several colleges which offer a degree in physical education.

PHYSICAL EDUCATION MAJORS. FIRST ROW: Gray Little, Judy Steppe, Jenny Yates, Linda Keene, Gaye Lott, Dot Chapman. EPILOGUE

The doors of Dreher High School will soon close the last time for the Class of 1960. These doors have seen the face of every emotion pass through their portals—sorrow, joy, defeat, triumph, elation, and remorse—all the emotions that have touched the hearts of the departing seniors.

The door will close, but in the forthcoming year they will open to new joys and sorrows, new faces, new hopes for the Class of 1961.

Paul,

I could write all day on what a nice guy I thought you are, but I'll only write one page. It really has been fun being in your Chemistry class and also knowing you this year. We had some great fun in Chemistry this year; messing up all of the experiments and never having all the homework completed. I'll never forget the first few weeks of football season when we would bet on the College Football games, and after Football; it was Basketball. It was disappointing for Dreher to lose two years in a row. (I want to tell you something; Buchanan ain't fast!!!) and (Bill Law ain't the best miler on the Dreher track team. I'll tell you a secret; its Paul Huggins!!!). Track season was the best, when we would bet on the jump of "Super Duck" and all the other events. I thought we would lose that state track meet, but the team didn't let the school down.

If you have the endurance of Bill Law you'll be the greatest miler Dreher ever had or will have. I'll be pulling for you to set a new record for the mile, so don't let me down. You're going to be the best school in S.C., so keep up the good name of Dreher in sports. I hope to see you some this summer and I'll be back to look you up next year and make some more bets. Best of Luck in the future, because a swell guy like you deserves good luck. Keep up the good work on your paper route. Your Friend and Buddy,

P.S. take care of Parker, next year.

Paul, We sure had a "fucking" good time in chemistry this year. I believe you're almost as stupid as I am. Good luck.
